We supply you with high quality roofing tiles and corrugated steel iron. We also supply building materials; cement sand, concrete, Ballast and stones.

It's not a job. It's Pride, Passion, Perfection and Love of what we do. Always has been, Always will be.

## Roofing, Floor & Wall Products

# General Furniture Supplies

The office is every employee's second home, its home away from home. Your desk and work station are not only for convenience, but they also play a major role in your efficiency, morale and overall performance. The Comfort, Functioning, Look, Feel and Status Symbol are important aspects when choosing the appropriate furniture for your office.

Our approach is to connect people to their work, their lives and their world. We create workspaces that unlock your power, potential and performance.

## Desks

Our desks allow you to create an inspired workspace. Whether in class or the office, this space should be just the right one. We supply computer desks, corner desks, executive desks, writing desks, students and classroom desks.

## Chairs

You get a lot done during the course of your day, and we know you want durable, versatile chairs to support you through all of it. Get all types of chairs including office chairs, ergonomic chairs, drafting chairs, stacking chairs, executive chairs and student chairs.

## Cabinets

Store your files and papers in our array of filing cabinets that allow easier and more organized access and storage of paper. We supply both Drawer file cabinets and Premium Cabinets.

## Safes

Sensitive documents and money are items that need a more secure storage area. Safe boxes are a secure, reliable and fireproof way of storing documents. We supply office safes, hotel safes, fireproof safes and power lock safes.

# Carpets, Window Blinds and Rolers

We supply and install wall to wall carpeting, vertical blinds, roller blinds, veneting and window film.

# Renovation Works

Home renovation is the process of improving and upgrading existing structures in your home to enhance aesthetics, increase functionality, or repair any damage. It can range from minor changes like painting and wallpapering to major alterations like kitchen remodeling, bathroom upgrades, or even adding new rooms.

- Kitchen Renovation: Upgrade your kitchen with a fresh layout, modern appliances, or enhanced storage.
- Bathroom Renovation: Transform your bathroom into a relaxing oasis with new fixtures, tiles, or a luxurious shower.
- Basement Renovation: Turn your unused basement into a functional space like a home office, gym, or entertainment room.
- Interior Remodeling: Enhance the look and feel of your home interiors with new paint, flooring, lighting, or customized features.
- Exterior Renovation: Improve your homes curb appeal with exterior painting, siding replacement, or landscaping services.

# Renovation Works

- Telephone and computer installations and networks
- Structured cabling for residential and commercial buildings
- Intercom and video intercom systems and video surveillance
- Systems for technical security of the facilities, records and access control for residential and commercial buildings

# Electrical Works

# Plumbing Works

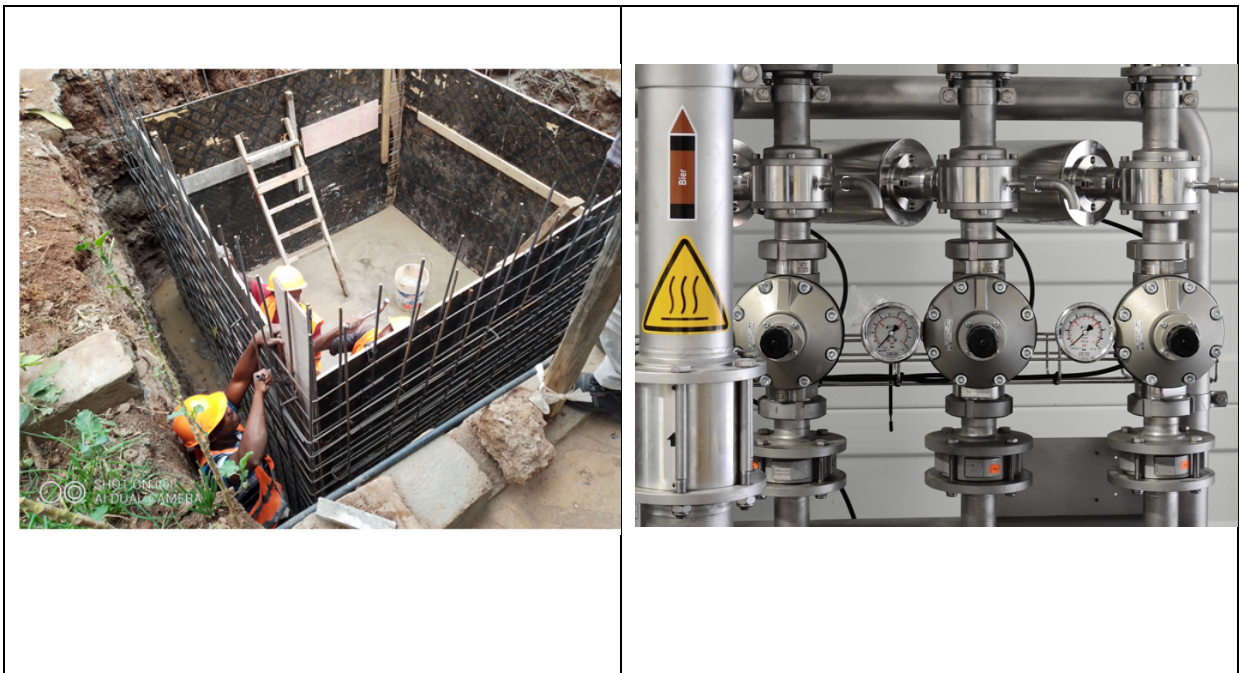

**Plumbing services** for homes and offices range from small to significant repairs. Your plumbing system may be having leaks and obstructions, necessitating the need for plumbing experts to unclog or adjust the valve to prevent it from dripping.

## ***a. Residential Plumbing Services:***

Drain clogs, blockages, damaged sewage lines, and poor water supply can all cause plumbing issues at your home. Pipe installation and maintenance is the most typical service for a residential. Outdoor and indoor domestic plumbing, drainage system changes, and gas plumbing are among the several types of residential services.

## ***b. Commercial Plumbing Services:***

Commercial plumbing services include processes for removing debris that creates blocks and clogs. Algae, fungus and tree branches, in addition to food waste and debris that obstruct appropriate movement. To clear the obstruction, plumbers employ modern technologies like hydro jetting machines. In addition, to assist successful business, black iron pipes are commonly used in institutions such as hotels.

# Plumbing Works
